

## **Preserve Your Public Shooting Areas**

- Respect private property & posted signs
- Don't shoot near roads or structures of any kind
- Shoot towards a high, dirt backstop to prevent ricochets
- Don't shoot towards rocks or dry vegetation
- **Exploding targets and steel-core, steel-jacketed, incendiary, or tracer ammo are prohibited on public land to prevent wildfires**
- Use paper, cardboard, or clay targets only
- Don't shoot at plastic, glass, or metal objects
- Shoot over a tarp for easy cleanup of spent casings
- Remove all targets and debris when finished
- Leave it better than you found it

***Responsible shooters keep public shooting areas safe, clean, and open for use.***
